Agent scope: Google Reviews / Google Business Profile, Feefo, Reviews.io, Smart Money People, MoneySavingExpert reviews, Review Centre, Yelp, public Facebook reviews, and other insurance-review sites. Trustpilot is handled by a separate agent.

Summary

- **CONFIRMED (Google Business Profile / Maps): both businesses' Google listings are named identically "Prima Insurance"**. A Google Maps search for "prima insurance" from a Manchester-area viewpoint resolves to the broker's profile showing **+44 330 088 1135**, `primainsurance.co.uk`, 21 Bury New Rd, Prestwich; the same search from a London viewpoint resolves to Hello Prima's profile (`helloprima.co.uk`, Alto Building, 30 Stamford St) which **displays NO phone number at all** — Google actively invites the public to "Add place's phone number". A Hello Prima customer googling "Prima Insurance" for a phone number can therefore be shown only the broker's number (REV-01, REV-02).
- **CONFIRMED (Category D, direct "wrong Prima" evidence): a 5-star Google review on Hello Prima's own Google Business Profile** (reviewer "eleanor burnet", ~2 years ago) states she tried to find a phone number and "*called a company called Prima, who advised me to search for Hello Prima*" (REV-03). This directly evidences a Hello Prima customer telephoning a different company called Prima when hunting for contact details. The review does not name which "Prima" was dialled, so it does not by itself prove it was Prima Insurance Brokers.
- **Bing's business panel for "prima insurance phone number" shows Hello Prima with no phone, while the #1 organic result is the broker's contact page displaying 0330 088 1135 and info@primainsurance.co.uk** — the two businesses are interleaved on the same results page for a phone-number search (REV-10).
- **Feefo indexes only the broker for "Prima" insurance reviews**. "Prima Insurance Brokers Reviews" (238 reviews, `primainsurance.co.uk`) publicly displays the broker's phone 01618261620 and Bury New Road address; a second broker listing "Prima Life" shows the same number. Hello Prima has no Feefo presence, so Feefo searches for "Prima" insurance reviews surface the broker and its phone number (REV-11). All 238 broker Feefo reviews date from 2021–Jan 2022 (pre-dating Hello Prima's UK retail growth) — no misdirected reviews found.
- **Multiple Google reviews on Hello Prima's profile evidence phone-contact difficulty** ("They do not answer the phone", "you can't even phone them", "AI phone chatbots", "utterly useless over the phone") — the pattern that pushes customers to search for a number elsewhere (REV-04 to REV-09).
- **No misdirected Hello Prima reviews were found on the broker's review profiles**: the broker's Google Business Profile has only 4 reviews, all genuinely about the broker (REV-12). This is an honest negative for priority finding #7 on the platforms checked (note: Trustpilot is another agent's scope; Yelp/Facebook/Cylex/Yably were blocked — see Access blockers).
- **Searching for the BROKER's reviews returns the insurer first**: Bing "prima insurance brokers manchester reviews" ranks Hello Prima's Trustpilot page (4.6/5, 2,192 reviews) #1, above the broker's own site and Feefo listing (REV-13).
- Smart Money People, Reviews.io, Review Centre and MoneySavingExpert host **no listing for either business** — clean negative results (REV-17).
- Peripheral third-party review sites blur the branding: Traders Union's "Prima Review" page for `helloprima.co.uk` lists `primainsurance.co.uk` in its own comparison table (REV-14); Fairer Finance rates the insurer as simply "Prima" (REV-15); `procustomer.co.uk` publishes a review summary of Hello Prima under the name "Prima Insurance Company" (REV-16).
- Gaps: Google web search was CAPTCHA-blocked (Maps was not); Yelp, Facebook reviews, Cylex and Yably were bot-blocked/login-gated, with no usable Wayback snapshots.

Findings

REV-01 — Google Maps shows the broker's number for "prima insurance" searches

- **Category**: I (search-result ambiguity), directly relevant to priority #1 context
- **Source/platform**: Google Maps / Google Business Profile
- **URL**: `https://www.google.com/maps/search/prima+insurance/@53.53,-2.28,11z?hl=en-GB` (resolves to place `https://www.google.com/maps/place/Prima+Insurance/@53.5183852,-2.2721178,17z/data=!4m6!3m5!1s0x487bafde452f0001:0xb006c1456865dc6!16s%2F`)
- **Page title**: Prima Insurance - Google Maps
- **Search query used**: "prima insurance" (Maps search, Manchester-area viewport)
- **Date/time accessed (UTC)**: 2026-07-02 ~01:35
- **Exact quote/snippet**: Panel shows: "Prima Insurance / 5.0 ★★★★★ / 21 Bury New Rd, Prestwich, Manchester M25 9JZ, United Kingdom / `primainsurance.co.uk` / **+44 330 088 1135** / Claim this business"
- **Screenshot**: 2026-07-02_googlemaps_prima-insurance-manchester_search.png
- **HTML archive**: 2026-07-02_googlemaps_prima-insurance-manchester_search.html
- **Relevance**: High
- **Direct or indirect**: Direct (as to what Google displays); indirect as to actual customer confusion
- **Notes**: The Google listing named exactly "Prima Insurance" surfaces the broker's 0330 088 1135 to anyone searching "prima insurance" whose location/context biases toward this listing. Panel shows "Claim this business", i.e. the profile appears unclaimed. This is consistent with Hello Prima customers obtaining the broker's number from Google.

REV-02 — Hello Prima's Google Business Profile is also named "Prima Insurance" and has NO phone number

- **Category**: I (search-result ambiguity) + E context (no phone channel visible)
- **Source/platform**: Google Maps / Google Business Profile
- **URL**: `https://www.google.com/maps/place/Prima+Insurance/@51.5072,-0.1276,11z/data=!4m6!3m5!1s0x487605e92460253b:0xe1645fc0e1fba392!16s%2Fg%2F`
- **Page title**: Prima Insurance - Google Maps

- **Search queries used:** "prima insurance" and "hello prima" (Maps search, London viewport) — both resolve to this same listing
- **Date/time accessed (UTC):** 2026-07-02 ~01:37
- **Exact quote/snippet:** Panel shows: "Prima Insurance / 4.4 ★ / Insurance agency / Alto Building, 30 Stamford St, London SE1 9LS, United Kingdom / helloprima.co.uk" and under "Add missing information": **"Add place's phone number"**
- **Screenshots:** 2026-07-02_googlemaps_prima-insurance-london_search.png, 2026-07-02_googlemaps_hello-prima-london_search.png
- **HTML archive:** 2026-07-02_googlemaps_prima-insurance-london_search.html, 2026-07-02_googlemaps_hello-prima-london_search.html
- **Relevance:** High
- **Direct or indirect:** Direct (as to what Google displays)
- **Notes:** Two different companies share the identical Google listing name "Prima Insurance". Hello Prima's listing gives no telephone number, so a customer who wants to phone "Prima Insurance" and searches Google/Maps finds a phone number only on the broker's identically-named listing (REV-01). Google's open "Add place's phone number" prompt is also a live risk vector for a wrong number being crowd-added to Hello Prima's profile.

REV-03 — Google review on Hello Prima's profile: customer "called a company called Prima, who advised me to search for Hello Prima"

- **Category:** D (direct "wrong/different Prima" confusion) + E (no findable phone number)
- **Source/platform:** Google Reviews (on Hello Prima's Google Business Profile)
- **URL:**
https://www.google.com/maps/place/Prima+Insurance/@51.5072,-0.1276,13z/data=!4m8!3m7!1s0x487605e92460253b:0xe1645fc0e1fba392!8m2!3d51.5070.106713!9m1!1b1!16s%2Fg%2F11s94mq!wlf
- **Page title:** Prima Insurance - Google Maps (Reviews tab)
- **Search query used:** Maps search "prima insurance" (London), Reviews tab, scrolled feed
- **Date/time accessed (UTC):** 2026-07-02 ~02:00
- **Exact quote (verbatim, reviewer "eleanor burnet", Local Guide · 31 reviews · 3 photos, 5 stars, "2 years ago"):**

"Only had my policy a couple of days, but saw a car im interested in buying and wanted to know how much extra it works be to insure. . I initially tried to find a phone number and called a company called Prima, who advised me to search for Hello Prima. All I could find was live chat or email, and my heart sank a bit, however, Sophie answered promptly and it was all really efficient!"

- **Screenshot:** 2026-07-02_googlemaps_helloprima-gbp_review-eleanor-burnet_wrong-prima.png (review shown in scrolled reviews feed)
- **HTML archive:** 2026-07-02_googlemaps_helloprima-gbp_reviews-overlay.txt (full text extraction of 88 reviews from the feed)
- **Relevance:** High
- **Direct or indirect:** Direct evidence that a Hello Prima customer telephoned a different company called "Prima" while trying to find Hello Prima's phone number, and was redirected.
- **Notes:** This directly evidences the confusion journey (search for phone number → ring the wrong "Prima" → be told to look for Hello Prima). It does NOT identify which company called "Prima" answered; it is consistent with, but does not prove, that it was Prima Insurance Brokers (whose number is what Google displays for "Prima Insurance" — REV-01). It also corroborates that Hello Prima offered no easily findable phone number ("All I could find was live chat or email").

REV-04 — Google review: "They do not answer the phone"

- **Category:** E (contact difficulty with Hello Prima)
- **Source/platform:** Google Reviews (Hello Prima GBP)
- **URL:** as REV-03
- **Page title:** Prima Insurance - Google Maps (Reviews tab)
- **Search query used:** as REV-03
- **Date/time accessed (UTC):** 2026-07-02 ~02:10
- **Exact quote (verbatim, reviewer "D B", 5 reviews, 1 star, "3 months ago"):**

"The price of the car insurance is OK but the customer service is very, very poor. They do not answer the phone, cutting you off having gone through the options menu, they do not sent transcripts of on-line chats even when specifically requested, they will not ever call you back from their call centre and they having issued the policy they requested a great deal more personal information or threatened to cancel the policy."

- **Screenshot:** 2026-07-02_googlemaps_helloprima-gbp_review-db_do-not-answer-phone.png
- **HTML archive:** 2026-07-02_googlemaps_helloprima-gbp_reviews-overlay.txt
- **Relevance:** Medium-High
- **Direct or indirect:** Direct evidence of contact difficulty; indirect for confusion
- **Notes:** Supports the mechanism by which customers give up on Hello Prima's channels and search elsewhere. Not itself evidence of wrong-company contact.

REV-05 — Google review: "AI phone chatbots and a £50 canellation fee"

- **Category:** E + H (cancellation difficulty)
- **Source/platform:** Google Reviews (Hello Prima GBP)
- **URL:** as REV-03
- **Search query used:** as REV-03
- **Date/time accessed (UTC):** 2026-07-02 ~01:55
- **Exact quote (verbatim, reviewer "James Wright", 3 reviews, "3 weeks ago", tagged NEW):**

"AVOID AI phone chatbots and a £50 cancellation fee. They asked me for proof of no claims discount. I provided it and they ignored it with a threat of cancelling the policy. Worried that they would take more money from me I tried to call the department who asked for the document but an AI bot told me to email. So I decided to cancel the cancellation agent was sarcastic and didnt care, got there figures wrong when quoting the fee for a policy that 17 days old. Why do we have fees surely it's like anyother product within the 28 day period."

- **Screenshot:** screenshot failed: review not reachable by feed scroll on re-visit (2026-07-02_googlemaps_helloprima-gbp_review-james-wright_ai-chatbots.png captured the page but without this review visible); text preserved in extraction archive
- **HTML archive:** 2026-07-02_googlemaps_helloprima-gbp_reviews-overlay.txt
- **Relevance:** Medium
- **Direct or indirect:** Direct evidence of phone-contact difficulty (AI bot deflecting to email)
- **Notes:** Contact-difficulty and cancellation-fee complaint only; no wrong-company element.

REV-06 — Google review: "you can't even phone them or log in online"

- **Category:** E + H (change-car/MTA difficulty)
- **Source/platform:** Google Reviews (Hello Prima GBP)
- **URL:** as REV-03
- **Date/time accessed (UTC):** 2026-07-02 ~01:55
- **Exact quote (verbatim, reviewer "George Georgiou", Local Guide · 11 reviews, "2 years ago"; truncated by Google at "More"):**

"What a backward out of touch insurer. Every other insurer I've been with has been able to change my car policy online (AXA, Direct Line etc) on the same day, no extra fees. However with these guys you can't even phone them or log in online ... More" Owner response (Hello Prima) elsewhere in the same feed directs customers to "Could you please email us at help@helloprima.co.uk?"

- **Screenshot:** contained within 2026-07-02_googlemaps_helloprima-gbp_reviews-overlay.png (feed capture); full text in extraction archive
- **HTML archive:** 2026-07-02_googlemaps_helloprima-gbp_reviews-overlay.txt
- **Relevance:** Medium
- **Direct or indirect:** Direct evidence of phone-contact difficulty
- **Notes:** Also confirms Hello Prima's channel strategy (email/chat) in owner responses.

REV-07 — Google review: claims routed to "Broker Direct Plc"; claimant cut off from claims handler

- **Category:** F (claims-routing confusion) + E
- **Source/platform:** Google Reviews (Hello Prima GBP)
- **URL:** as REV-03
- **Date/time accessed (UTC):** 2026-07-02 ~01:55
- **Exact quote (verbatim extract, reviewer "Waqar Ashraf", Local Guide · 7 reviews · 2 photos, "a year ago"):**

"Avoid Prima Insurance and Broker Direct Plc (the company they instructed for claim handling) at ALL COSTS. I was involved in a non-fault accident with one of their policyholders, and unfortunately made the mistake of dealing with them directly instead of going through a solicitor." and later: "Now, they won't even let me speak with my claims handler."

- **Screenshot:** within 2026-07-02_googlemaps_helloprima-gbp_reviews-overlay.png; full text in archive
- **HTML archive:** 2026-07-02_googlemaps_helloprima-gbp_reviews-overlay.txt
- **Relevance:** Medium
- **Direct or indirect:** Indirect for brand confusion; direct for third-party claims-routing friction
- **Notes:** Shows Hello Prima claims are handled by a separately named third party ("Broker Direct Plc"), i.e. customers/third parties must deal with a differently-named company — relevant context for claims-routing confusion, though the reviewer calls the insurer "Prima Insurance", illustrating naming blur.

REV-08 — Google review: insurer "refused to speak to the other persons insurance"

- **Category:** F (claims-routing) / E
- **Source/platform:** Google Reviews (Hello Prima GBP)
- **URL:** as REV-03
- **Date/time accessed (UTC):** 2026-07-02 ~02:00
- **Exact quote (verbatim, reviewer "Paul Roche", 7 reviews · 3 photos, 1 star, "a year ago"):**

"My wife is with prima. Someone reversed into her and she contacted prima. Prima refused to speak to the other persons insurance said this isn't something they provide and ck tact them herself. This is ridi and not tbe norm id keep away from this company that's for sure"

- **Screenshot:** 2026-07-02_googlemaps_helloprima-gbp_review-eleanor-burnet_wrong-prima.png (visible in same capture, above the REV-03 review)
- **HTML archive:** 2026-07-02_googlemaps_helloprima-gbp_reviews-overlay.txt
- **Relevance:** Medium (claims-contact friction; no wrong-company element)
- **Direct or indirect:** Direct for claims-contact difficulty

- **Notes:** General claims-service complaint. Does not evidence confusion between the two Primas.

REV-09 — Further contact-difficulty and claims-distress reviews on Hello Prima's GBP

- **Category:** E / L (some are general negative only)
- **Source/platform:** Google Reviews (Hello Prima GBP)
- **URL:** as REV-03
- **Date/time accessed (UTC):** 2026-07-02 ~02:10
- **Exact quotes (verbatim):**
 - "Matt O'Brien", Local Guide · 62 reviews, "3 weeks ago": "They fought and fought with Prima over the phone whilst on holiday in Japan and they returned home to a vehicle that is uninsured. These cheaper insurance companies get you to do all their admin work for them and are utterly useless over the phone. ... my parents are taking them to Ombudsman."
 - "Mehraj", 2 reviews, 1 star, "2 months ago" (truncated at "More"): "I would strongly advise anyone looking to take a car insurance policy to avoid Prima Insurance. What should have been a simple claims process following a traumatic accident turned into months of extreme distress and neglect caused by Prima ... More"
 - "Gillian McDonald", Local Guide · 35 reviews, 1 star, "Edited 2 months ago" (truncated): "I wished I never took this insurance company's insurance. - **Screenshot:** 2026-07-02_googlemaps_helloprima-gbp_review-db_do-not-answer-phone.png (Gillian McDonald and Mehraj visible); Matt O'Brien in text archive
- **HTML archive:** 2026-07-02_googlemaps_helloprima-gbp_reviews-overlay.txt
- **Relevance:** Low-Medium
- **Direct or indirect:** Direct for contact/claims difficulty; not confusion evidence
- **Notes:** Note reviewers repeatedly call the insurer "Prima Insurance" — the same name as the broker's trading name and Google listing.

REV-10 — Bing SERP for "prima insurance phone number": Hello Prima panel (no phone) + broker's 0330 088 1135 as top result

- **Category:** I (search-result ambiguity; both businesses together on a phone-number search)
- **Source/platform:** Bing (web search + Bing Places panel)
- **URL:** <https://www.bing.com/search?q=prima+insurance+phone+number&cc=gb>
- **Page title:** prima insurance phone number - Search
- **Search query used:** "prima insurance phone number"
- **Date/time accessed (UTC):** 2026-07-02 ~01:29
- **Exact quote/snippet:** Right/top panel: "Prima Insurance — <https://www.helloprima.co.uk> — Insurance agency in London, United Kingdom — 30 Stamford St, London SE1 9DJ" (no phone shown). #1 organic result: "Prima Insurance Brokers — Contact | Prima — Speak to our friendly team 0330 088 1135 M Discover Our Insurance Products ... Phone 0330 088 1135 Email info@primainsurance.co.uk". Further down: "Prima | Leading Business Insurance Brokers — Phone 0330 088 1135 ... Prima House, 21 Bury New Rd, Greater, Prestwich, Manchester M25 9JY"; Cylex: "Prima Insurance, London ... 30 Stamford St, London ... 020 3318 9745"; plus Trustpilot [helloprima.co.uk](https://www.trustpilot.com/review/helloprima.co.uk) and [helloprima.co.uk/claims](https://www.trustpilot.com/review/helloprima.co.uk/claims) results.
- **Screenshot:** 2026-07-02_bing_prima-insurance-phone-number_serp.png
- **HTML archive:** 2026-07-02_bing_prima-insurance-phone-number_serp.html
- **Relevance:** High
- **Direct or indirect:** Direct (as to what searchers are shown)
- **Notes:** For the exact query a Hello Prima customer would use to find a phone number, the business panel is Hello Prima (no phone) and the first phone number on the page is the broker's 0330 088 1135. This is consistent with customers dialling the broker. (SERP analysis is primarily Agent 1's scope; included here because the business-profile panel is in this agent's scope.)

REV-11 — Feefo: only "Prima" insurance listings are the broker's, displaying the broker's phone number

- **Category:** K (directory/review-platform ambiguity) + I
- **Source/platform:** Feefo
- **URLs:** <https://www.feefo.com/en-GB/reviews/prima-insurance-brokers>; <https://www.feefo.com/en-GB/reviews/prima-protect-insurance-brokers>
- **Page titles:** "Prima Insurance Brokers Reviews | ... | Feefo | Page 1"; "Prima Life Reviews | ... | Feefo | Page 1"
- **Search queries used:** web searches «"Prima car insurance" reviews site:reviews.io OR site:feefo.com», «site:feefo.com helloprima OR "hello prima"», then direct fetch
- **Date/time accessed (UTC):** 2026-07-02 ~01:30–01:45
- **Exact quote/snippet:** Prima Insurance Brokers page metadata (archived HTML): "merchantWebsite": "<https://www.primainsurance.co.uk>", "contact Telephone": "01618261620" with address "Bury New Road, Prestwich, Lancashire, M25 9JY, United Kingdom"; banner: "Prima Insurance Brokers is no longer an active Feefo customer"; "Displaying all 238 reviews". Prima Life page: phone 01618261620, "29 Bury New Road, Prestwich", "Displaying all 0 reviews", "Prima Life is no longer an active Feefo customer".
- **Screenshots:** 2026-07-02_feefo_prima-insurance-brokers_reviews-p1.png, 2026-07-02_feefo_prima-protect-insurance-brokers_reviews-p1.png
- **HTML archives:** matching .html filenames
- **Relevance:** Medium
- **Direct or indirect:** Indirect
- **Notes:** Hello Prima has no Feefo listing, so Feefo/inbound searches for "Prima" insurance reviews surface only the broker — with the broker's 0161 826 1620 displayed. All 238 broker reviews are dated 2021–Jan 2022 (page-1 sample inspected; most-recent sort) and are about broker services; no misdirected car-insurance reviews were found. This supports platform-level ambiguity, not customer confusion per se.

REV-12 — Broker's Google Business Profile reviews: NO misdirected Hello Prima reviews (negative result for priority #7)

- **Category:** M / negative result (honest finding)
- **Source/platform:** Google Reviews (broker GBP "Prima Insurance", 21 Bury New Rd, Prestwich)
- **URL:**
<https://www.google.com/maps/place/Prima+Insurance/@53.5183852,-2.2721178,15z/data=!4m8!3m7!1s0x487bafde452f0001:0xb006c1456865dc6!8m2!3d!2.2721178!9m1!1b1!16s%2Fg%2F11m6khtvdh>
- **Date/time accessed (UTC):** 2026-07-02 ~01:50
- **Exact quote/snippet:** "5.0 ★, 4 reviews". All four extracted; the only one with text (Boruch Stanton, 9 months ago): "I recently renewed our company insurance through Prima. The service was excellent, and they were able to create a significant saving for me compared to my previous brokers. I dealt with Shea - a real delight to work with!" (other three are ratings-only).
- **Screenshot:** 2026-07-02_googlemaps_broker-gbp_reviews-overlay.png
- **HTML archive:** 2026-07-02_googlemaps_prima-insurance-broker-gbp_reviews.txt / 2026-07-02_googlemaps_broker-gbp_reviews-overlay.txt
- **Relevance:** Medium (negative finding)
- **Direct or indirect:** Direct
- **Notes:** No public evidence was found on the broker's Google profile of reviews mistakenly aimed at Hello Prima. Caveat: an earlier third-party aggregator (Yabli) refers to a "Prima Protect Insurance Brokers" Google listing at 39 Bury New Rd with 579 reviews (4.9); that listing could not be found on Google Maps today (searches for "prima protect" and "prima life prestwich" resolve to the 4-review "Prima Insurance" listing), and Yabli itself is Cloudflare-blocked with no Wayback snapshot, so those historical reviews could not be inspected.

REV-13 — Bing SERP for the BROKER's reviews returns Hello Prima's Trustpilot page first

- **Category:** I (search-result ambiguity, reviews journey)
- **Source/platform:** Bing
- **URL:** <https://www.bing.com/search?q=prima+insurance+brokers+manchester+reviews&cc=gb>
- **Page title:** prima insurance brokers manchester reviews - Search

- **HTML archive:** 2026-07-02_bing_prima-insurance-brokers-manchester-reviews_serp.html
- **Relevance:** Medium-High
- **Direct or indirect:** Direct (as to what searchers are shown)
- **Notes:** Review-search journeys for either business surface the other business's review pages, in both directions. This is consistent with reviews being posted to the wrong company, though no such misdirected review was itself found on the platforms in this scope.

REV-14 — Traders Union review page for helloprima.co.uk lists primainsurance.co.uk in its comparison data

- **Category:** K / I (third-party site associating the two domains)
- **Source/platform:** Traders Union (third-party review site)
- **URL:** <https://tradersunion.com/reviews/helloprima-co-uk/>
- **Page title:** Prima Review – Is it Safe and Legit? (June 2026)

- **Date/time accessed (UTC):** 2026-07-02 ~02:15
- **Exact quote/snippet:** Traffic-comparison table rows: "helloprima.co.uk 11320 6443 Yes / **primainsurance.co.uk 1614 -94 No** / helloprima.com 1338 -40 No / boom.co.uk 1236 -2931 No". Body: "Prima has provided car insurance since 2015 ... visit helloprima.co.uk."
- **Screenshot:** 2026-07-02_tradersunion_helloprima_review.png
- **HTML archive:** 2026-07-02_tradersunion_helloprima_review.html
- **Relevance:** Low-Medium
- **Direct or indirect:** Indirect
- **Notes:** A third-party review site's own tooling groups primainsurance.co.uk with helloprima.co.uk (as similar/competitor domains). No wrong phone/email shown. This does not prove customer confusion, but supports the closeness of the two brands in third-party data.

REV-15 — Fairer Finance rates the insurer as simply "Prima"

- **Category:** I (branding ambiguity context)
- **Source/platform:** Fairer Finance (insurance ratings/review site)
- **URL:** <https://www.fairerfinance.com/ratings/brands/prima>
- **Page title:** Prima reviews | Fairer Finance
- **Search query used:** «"Hello Prima" reviews smartmoneypeople.com» (surfaced in results)
- **Date/time accessed (UTC):** 2026-07-02 ~02:15
- **Exact quote/snippet:** "Prima — Italy's largest online insurance agency, with over 2 million drivers, that now covers drivers in the UK. — Our product ratings for Prima — Car insurance: 5 products reviewed..."
- **Screenshot:** 2026-07-02_fairerfinance_prima_brand-page.png
- **HTML archive:** 2026-07-02_fairerfinance_prima_brand-page.html
- **Relevance:** Low
- **Direct or indirect:** Indirect

- **Notes:** Mainstream review/ratings site uses the bare brand "Prima" (not "Hello Prima") for the insurer, with no contact details — context for why consumers search "Prima insurance" and hit the broker.

REV-16 — procustomer.co.uk publishes "Prima reviews" describing Hello Prima as "Prima Insurance Company"

- **Screenshot:** 2026-07-02_procustomer_prima_reviews.png
- **HTML archive:** 2026-07-02_procustomer_prima_reviews.html

REV-17 — Negative results: Smart Money People, Reviews.io, Review Centre, MoneySavingExpert

- **Category:** M (negative results, recorded for completeness)
- **Sources/URLs:**

- Reviews.io: <https://www.reviews.io/company-reviews/store/helloprima.co.uk> — "Page Not Found". No listing for either business found via web search. Screenshot: 2026-07-02_reviewsio_helloprima_lookup.png (+ .html).

- **Notes:** No public evidence was found on these platforms of either business, hence no misdirected reviews there.

Sources checked with no relevant results

- Smart Money People site search "prima" (only PrimaryBid; captured).
- Reviews.io store lookup helloprima.co.uk (404) and web search «reviews.io "helloprima" OR "hello prima" car insurance».
- Review Centre via «"prima" car insurance review site:reviewcentre.com OR site:moneysavingexpert.com» — only Prima Rent a Car / Premia Solutions.
- Google Play app-store reviews: only the Italian "Prima Assicurazioni" app (it.prima) exists; no UK Hello Prima app listing found — not pursued.
- Feefo search for a Hello Prima merchant («site:feefo.com helloprima OR "hello prima"») — none exists.
- Broker's Google Business Profile reviews (4 reviews) — no Hello Prima content (REV-12).
- Feefo "Prima Insurance Brokers" page-1 reviews (most recent, Jan 2022 back) — all broker-specific; keyword scan of archived HTML for "car insurance / claim / hello prima / wrong / cancel" produced no misdirected-review hits.

Access blockers

- **Google web search (google.com/search):** reCAPTCHA bot-block ("Our systems have detected unusual traffic...", captured at 2026-07-02 01:29:51 UTC — 2026-07-02_google_prima-insurance-phone-number_serp.png). Google MAPS was accessible and was used instead; Bing/DDG used for SERPs. Google's web knowledge panel for "Prima Insurance" therefore could not be captured directly.
- **Google Maps "limited view":** reviews required a custom scripted session; achieved for both GBPs, but per-review permalinks/dates are relative only ("2 years ago" etc.).
- **Yelp:** "You have been blocked" (2026-07-02_yelp_prima-protect-insurance-brokers_listing.png); no Wayback snapshot of the listing.
- **Facebook reviews:** login-gated — "This content isn't available at the moment" (2026-07-02_facebook_prima-insurance-brokers_reviews.png). Broker's Facebook page reviews (rated 5.0/2 reviews per third-party data) and any Hello Prima page reviews could not be read without an account.
- **Yabli (yabli.co.uk) and Cylex (cylex-uk.co.uk):** Cloudflare "Just a moment..." challenge; no usable Wayback snapshots. Yabli's cached claim of a "Prima Protect Insurance Brokers" Google listing with 4.9/579 reviews could therefore not be verified, and that historical Google listing appears no longer retrievable on Maps.
- **Traders Union** blocked WebFetch (HTTP 403) but rendered fine in the headless browser.
